

Flat Busted is all about entertaining! Brian McPherson, our lead vocalist is a true entertainer. Utilizing his wireless mic, you'll find him in the middle of the party, gettin' down with whoever is on the dance floor. Brian and the band have one goal... to give their fans/friends an evening they will remember (unless they have one too many "Holler & Swallers"!), and more fun than they expected! Whether it's a local hot spot, a private event or a casino, Flat Busted will make it a party!
