

# JUNIOR TURKEYS

## 2019 Poultry Show Exhibit Policy

Due to the Virulent Newcastle Disease outbreak in Southern California, the 13<sup>th</sup> District Agricultural Association Board of Directors discussed and voted on the issue on February 26, 2019. Utilizing the information provided in the Guidance Risk Evaluation document issued by the California Department of Food & Agriculture (CDFA) and noting the lower risk assessment in the Northern California Area, the following changes will be in effect for the 2019 Yuba-Sutter Fair Poultry Show:

1. The Poultry Show will be restricted to only Market Poultry Animals and will be a 100% terminal show.
2. All Poultry exhibits that arrive on the fairgrounds and are penned will be required to be harvested by the fair's contracted processor and not allowed to return home.
3. If in any case a market poultry exhibit is judged as "non-market ready" and thus is not allowed to sell in the Junior Livestock Auction, the exhibit will still be required to be harvested by the fair's contracted processor at the exhibitor's expense.
4. Unfortunately, this means that there will not be any Breeding Poultry Exhibits and any Primary Poultry Exhibits allowed at the 2019 Fair.
5. This ruling is contingent on the current facts and risk assessment provided by the State Veterinarian of CDFA. If in the case, the State Veterinarian's risk assessment increases or a cancellation is ordered by CDFA, the 2019 Poultry Show Exhibit Policy will be re-evaluated and determined at that time.

For additional information and disease updates regarding the Virulent Newcastle Disease outbreak please visit [https://www.cdca.ca.gov/ahfss/Animal\\_Health/newcastle\\_disease\\_info.html](https://www.cdca.ca.gov/ahfss/Animal_Health/newcastle_disease_info.html)
