- Pre-entry is available and encouraged, but not required.

As a parent, grandparent, leader or a fair patron watching a Jr. Exhibitor show their animal in the show-ring, have you ever put yourself in their shoes and wondered about the thrill of the moment that you could experience being an exhibitor competing against others your age? If so, this competition is for you!

The Yuba-Sutter Fair is pleased to announce that it will be holding the 1<sup>st</sup> Annual "Over the Hill" Showmanship competition at this year's fair. That's right, a showmanship competition for the folks who are "Over the Hill," or at least from being eligible to show as a 4-H/FFA Jr. Exhibitor.

To add to the excitement, the competition will also serve as a fundraiser for the fair's Barn Improvement Fund. The entry fees will be split 50:50. One half of all entry fees will be donated to the Yuba-Sutter Fairgrounds Barn Fund to promote barn improvement efforts and the remaining half will be paid to the "Over the Hill" Showmanship winner of each species along with receiving additional donated awards.

The "Over the Hill" competitions will be very entertaining to watch as the classes will be judged on the exhibitor's showmanship abilities, creativity and of course the overall entertainment value.

The "Over the Hill" showmanship classes will take place on Friday afternoon following the Pee Wee and Costume Showmanship classes.

Entry fees are \$20 per competitor per showmanship class. To be eligible for the competition, you must be 22 years or older. You may enter in more than one specie showmanship class. Entry forms are available at the fair office or online at [www.ysfair.com](http://www.ysfair.com). Entry forms are due prior to each showmanship class.

If you are interested in becoming a sponsor/award donor or would like more information about this exciting new feature of the fair, please call the fair office at (530) 674-1280.
