

Why Sponsor this show?

100% of the funds derived from entry fees & sponsorships goes back to the exhibitors!

Our show is not profit-driven, it is PURPOSE driven.

The purpose of this show is to provide opportunities for the youth to exhibit & compete with their cattle, meet new friends, catchup with their existing friends, spend some valuable family time together and while doing so, learning essential life skills and lessons that promote responsibility and create everlasting memories!

Simply put, that is why we put on this show!

We greatly value our partners and would love to have your support.
