DIVISION 415 – 4-H BRED BEEF REPLACEMENT HEIFER

DIVISION 416 – FFA BRED BEEF REPLACEMENT HEIFER

Class

1 Bred Replacement Heifer Required Calving Date: August 1st, 2021 thru December 1st, 2021

Member Eligibility

To be eligible for this Beef Replacement Heifer Project the exhibitor must be a member in good standing of a 4-H Club, FFA Chapter, Grange Chapter in Yuba or Sutter counties, or be a qualified Independent Junior Exhibitor from Yuba or Sutter counties.

Heifer Eligibility

Registered or grade beef replacement heifers are eligible projects. Grade heifers must be without horns. The sire and dam of the heifer must be of a beef breed. If an exhibitor declares that the heifer is registered, the registration papers must be signed off and submitted to the Livestock Office before the heifer will be allowed to sell. Heifers must be bred and purchased from a breeder in Yuba, Sutter, or a surrounding County (Butte, Colusa, Placer, Nevada Counties).

The age limit for a heifer is a minimum of 15 months and a maximum of 30 months on the opening day of the fair. Heifers must weigh a minimum of 900 pounds at the weigh-in during the fair and be bred to calve between August 1st, 2021 thru December 1st, 2021 and be verified by preg-check within 10 days of arrival at the fair. These requirements will be verified at the scale by the certified weigh master, the attending veterinarian. Those heifers that do not meet criteria will be disqualified from show competition and immediately released from the fairgrounds.

Ownership Requirements and Project Agreement

The project members must have ownership of their heifer no later than 120 days before fair. Heifers must be entered and tagged by the entry deadline date to be eligible. The *original* Bill of Sale and brand inspection must be retained by the exhibitor and presented to the State Brand Inspector at the Fair.

Breeding and Project Management

Heifers must be bred to calve between August 1st thru December 1st. Heifers that are not bred within the specified calving times will be disqualified from show competition. Heifers may be bred naturally, or by artificial insemination. They should be bred to bulls with low birth weights in order to reduce difficulty in calving. It is important that members have dates written down as to when the heifer was exposed to that bull and any data that could be beneficial to the potential buyer.

Health

At the start of the project, members should seek advice from a local veterinarian about preventing diseases such as Leptospirosis, Vibrosis, Anaplosmosis, and Brucellosis. State law requires that beef heifers over twelve (12) months of age show evidence of the calfhood brucellosis vaccination if they are sold within the state of California for breeding purposes. Therefore, it is mandatory that the brucellosis ear tag number (orange metal clip number) and tattoo number be entered on the entry form. All heifers will be checked by the veterinarian upon arrival on the Fairgrounds and those heifers having no tattoo shall be disqualified from show competition.

Judging

The Danish System of Judging will be used at the Fair, giving an exhibitor three (3) possible group placings; Purple, Blue and Red. Heifers awarded purple and blue ribbons in show competition will qualify for the Beef Replacement Heifer sale held during the Fair. Heifers that receive a red ribbon do not qualify for the sale and will not be allowed to sell in the Replacement Heifer Sale. Heifers that qualify for the sale are not required to sell, but exhibitor must inform the livestock office within one hour following the heifer show in order to be removed from the sale order. The Grand and Reserve Champion heifers of each division must sell in the Replacement Heifer Sale.

Replacement Heifer Sale

The Bred Replacement Heifers will sell as "live" lots during the Junior Livestock Auction. An exhibitor may exhibit and sell only one (1) beef replacement heifer per year. Replacement Heifer exhibitors will also be allowed to exhibit and sell one (1) market animal at the fair. A commission charge of 5% will be deducted from the sale proceeds of the replacement heifer. If a bred heifer calves during the fair and has qualified for the sale, she will be eligible to be sold with the calf by her side provided that the calf is healthy and the heifer is controllable. The decision will be made by fair management.

Release of Replacement Heifers

The replacement heifers sold in the sale will be released as a "Live Lot" to the buyer on Sunday during the scheduled release time. All Replacement Heifers must be paid in full in order to obtain a release form from the livestock office.
