State Rules

PREFACE

1. The purposes of these rules are to:
 - a. Ensure educational and equitable competition;
 - b. Provide state-wide competition consistency; and
 - c. Maximize exhibitor and public safety.
2. These rules apply to all competitive exhibits conducted by district, citrus and county fairs in the State of California.
3. These rules cannot be waived or amended by anyone, including the fair board, management or judge.
4. The Fairs & Expositions Branch (F&E) is the final and absolute interpreter of these rules. Only a fair may request, in writing a variance on their own behalf or on behalf of an exhibitor to a specific rule. This request must be made prior to the start of the fair or specific competition for which a variance is requested. If F&E approves a specific variance request it may approve a conditional variance with specific conditions. Any approved variance shall expire at the conclusion of the annual fair.
5. Fair Management and/or Board of Directors may grant variances to ownership rule in the instance of deceased animals, submission of late entries and refund of entry fees. Variances may be ruled upon by F&E at the request of Fair Management and/or Board of Directors.
6. F&E will distribute any corrections and additions to these rules to fairs. It is the fair's responsibility to make them available. F&E does not represent or endorse the accuracy, correctness or reliability of any advice, opinion, statement or other information displayed by the fair in the distribution of corrections and additions to these rules. True and correct copies of all rules and any additions or corrections are available upon request at F&E during business hours, by mail or at www.cdfa.ca.gov/fairsandexpositions.
7. Fairs may create "Local Rules" that may be stricter than the State Rules but that may not circumvent the State Rules.
8. If a local rule is not printed in the exhibitor handbook the applicable State Rule will apply.
9. Competition at the California State Fair is not governed by State Rules for California Fairs.

 - c. Certify that all information on the entry form is true and accurate; and

 - e. In the event that it is determined there has been unethical treatment of animals or violation of state or federal regulations or of state or local fair drug policy rules, exhibitor names will be forwarded to F&E as well as given to the Network of California fairs and to appropriate government agencies.
2. Exhibitors are responsible for obtaining entry form(s) & rules from fair, and submit the form(s) and any required fees by the closing date as specified by Fair Management.

The Fair Management shall report any such incidences of unethical or inimical behavior established by the fair as provided for in this rule, to F&E in writing and such reports may become the basis for any fair to refuse entries from the exhibitor, leaders, advisors or parents for up to 5 years following the infraction.

(See definition of exhibitor.)
 - a. When an exhibitor earns more than two awards in a class, the exhibitor will receive the two highest cash awards, and the lesser cash awards will be moved down the placings to other exhibitors; ribbons will be awarded as placed.
 - b. Any difference in payment limits under the Danish system of judging shall be printed in the exhibitor handbook.
 - c. When the fair combines classes, an exhibitor is entitled to two cash awards per each class that was combined. Judges should determine special awards as printed before combining.

 - b. 3-way tie for 1st place: Combine 1st, 2nd and 3rd place money and divide equally between the three exhibitors.
9. The fair will not guarantee sponsored donations.

2. All Protests must be accompanied by a deposit of \$500.00 (cash, money order or certified check made payable to the fair). NOTE: The deposit will be returned if the protest is upheld. If the protest is upheld, the violator may be held liable for any portion of the direct costs incurred by the fair in the course of the protest resolution. Failure to reimburse the fair shall be cause for disallowing future entries in any of the network of California fairs.
3. Given the short duration of the fair:
 - a. The protestor shall make every effort to file the protest prior to judging. All protests must be filed in writing within 24 hours of the time of the cause of the protest and before conclusion of fair.
 - b. The fair will make every effort to resolve protests as quickly as possible. All exhibitors by entering an exhibit and all persons by filing a protest agree to cooperate with Fair Management to resolve protests in a timely manner.

7. Prior to judging the affected class, fairs may announce that an entry has been protested.
8. All questions concerning competition or non-protestable disputes or differences with staff or the exhibition not provided for under the State or Local Rules shall be referred to the CEO or their designee, whose decision shall be final.
