

## **2022 Jr. Livestock Auction**

### **Silent Bid Offer to Purchase the Re-Sale Bred Replacement Heifers**

As a new feature to the Bred Replacement Heifer lots in the Jr. Livestock Auction, we will be offering the buyer's the opportunity to "Re-Sale." This will allow buyers who may not be interested in taking possession of the bred heifer but rather bought the animal to support the exhibitor in the auction. The re-sale option will allow a buyer to purchase a heifer and give them the option of "Live" pickup or "Re-Sale." If the buyer chooses the "Re-Sale" option, they will pay the difference between their winning bid amount and the re-sale amount.

The Re-sale amount will be determined through this silent bid process. We are seeking silent bids from anyone who would be interested in purchasing the "Re-Sale" heifers from the Jr. Livestock Auction. The winning silent bidder will be responsible for purchasing all of the Bred Replacement Heifers selected for "Re-Sale."
