State law allows certified small business (SB) and microbusiness (MB) firms and non-small businesses who subcontract with a certified SB/MB firm(s) to receive a 5% bidding preference on applicable state solicitations. The effect of the preference is to help SB's/MB's be more competitive in the bid process, thereby enhancing state contract awards directly or indirectly to SB/MB. The preference is only used for computation purposes to determine the winning bidder, the actual bid amount remains the same.

If you are claiming the 5% small business preference and are a SB or MB, or if your application is on file with Office of Small Business and DVBE Services (OSDS), or if you are claiming the preference as a non-small business subcontracting with certified SB/MB (s), see PART VI of this RFP for instructions regarding what to submit with your proposal in order to receive the preference.

RULES GOVERNING COMPETITION & TECHNICAL EVALUATION

A. RFP REQUIREMENTS AND CONDITIONS

1. Errors

If a bidder discovers any ambiguity, conflict, discrepancy, omission, or other error in this RFP, it shall immediately notify the 13th DAA of such error in writing addressed to the contact person listed on the cover page and request modification or clarification of this document. Modifications, if any, will be made in writing by way of addendum issued pursuant to paragraph 2 below. Clarifications, if issued, will be given by written notice to all parties to whom the 13th DAA had sent notice of the RFP and to persons or entity who have requested to be given notice of any modification or notices.

2. Addenda

If necessary, the 13th DAA will modify the RFP prior to the date set for submission of final proposals, by issuance of an addendum to all parties who have been furnished notice of the RFP for bidding purposes.

All bidders should inquire from the contact person listed on the cover sheet whether any addenda have been issued prior to submitting a proposal in response to the RFP.

3. Definitions

The use of “shall”, “must” or “will” indicates a *mandatory* requirement or condition in this RFP. Failure to include such mandatory requirements or conditions will result in the disqualification of a proposal.

The words “should” or “may” indicate a *desirable* attribute or condition, but are permissive in nature and may affect the score the proposal receives.

4. Grounds for Rejection of the Proposal

A proposal ***shall*** be rejected if

- It is received at any time after the exact time and date set for receipt of bids as stated in Part II, paragraphs C and E.
- It is not prepared in accordance with the required format or information is not submitted in the format required by this RFP.
- The firm has submitted multiple bids in response to this RFP without formally withdrawing other bids.

A Proposal ***may*** be rejected if

- It contains false or misleading statements or references which do not support attributes or conditions contended by the bidder. (The proposal shall be rejected if, in the opinion of the 13th DAA, such information was intended to mislead the 13th DAA in its evaluation of the proposal and the attribute, condition or capability of requirement of this RFP.)
- It is unsigned.

5. Right to Reject any or all Proposals

It is the policy of the 13th DAA not to solicit proposals unless there is a bona fide intention to award a contract. However, the 13th DAA reserves the right to reject any or all proposals or to cancel the RFP at any time during the process.

6. Protests

A bidder may file a protest against the awarding of the contract.

The protest must be filed with the Department of General Services (DGS) at
Department of General Services (DGS)
707 Third Street,
West Sacramento, California 95608,
Attention Legal Office **and** with the 13th DAA.

The protest must be received prior to the expiration of five (5) working days from notice of the proposed award being posted and, in no event, later than 5:00 p.m. on the fifth working day after notice of proposed award was posted in a public place at the 13th DAA's Administration Office.

IN ADDITION, within five (5) working days after filing the protest, the protesting bidder shall file with the 13th DAA and DGS Legal Office a fully detailed and complete written statement specifying the grounds for the protest.

PLEASE NOTE: *Failure to file (i) notice of protest by the conclusion of the fifth working day after notice of intention to award a contract has been posted and (ii) a complete detailed written statement within five (5) calendar days of filing the protest stating grounds for protest will result in the protester's protest being deemed untimely and grounds for protest waived. Protests shall be limited to the grounds contained in Public Contract Code, Section 10345.*

B. OTHER INFORMATION

1. Disposition of Proposals

All materials submitted in response to this RFP will become the property of the 13th DAA. All proposals, evaluations and scoring sheets shall be available for public inspection at the conclusion of the committee scoring process and announcement of intent to award. If an individual requests copies of these documents, the 13th DAA will assess a fee to cover duplicating costs. Documents may be returned only at the 13th DAA's option and at the bidder's expense. One copy of each bidder's proposal shall be retained for official 13th DAA files.

2. Confidentiality of Proposals

The 13th DAA will hold the contents of all proposals in confidence until issuance of the Notice of the Proposed Award; once issued and posted no proposal will be treated as confidential. However, if a bidder maintains that certain information is proprietary, all proprietary or other legally protected material must be identified at the time of submitting the proposal to retain the claim of confidentiality.

The materials may be used by the 13th DAA to justify the awarding or not awarding of a contract if a protest is filed. The 13th DAA will not be liable for inadvertently releasing confidential materials although the 13th DAA will use the best efforts to prevent the release of said material.

3. Modification or Withdrawal of Proposals

Any proposal which is received by the 13th DAA before the time and date set for receipt of proposals may be withdrawn or modified by written request of the bidder. However, in order to be considered, the modified proposals must be received by the time and date set for receipt of proposals in Part II.

A bidder cannot withdraw or modify a proposal after the due date and time for receipt of proposals and, further, a bid cannot be "timed" to expire on a specific date. This is not a public review.
6. The "Financial Proposal Bid Form" will then be opened and scored and added to each reviewer's points to obtain the total points each reviewer gives to each bidder. The total points of each reviewer will be added up for that bidder and the result divided by the number of reviewers for the bidder's total overall score.
