Guidelines:

- All Chapters, Clubs and Independent Exhibitors are REQUIRED to participate in all species shown and should make their exhibit areas into attractive, user-friendly displays for the public.
- The Educational Display must provide general or specific knowledge of a particular agricultural or livestock project.
- Visual displays need only be one-sided.
- Excessive use of patio furniture is discouraged.
- Plant material may be used to enhance the exhibit but should not overwhelm the display.
- Entries will be judged one (1) or more times daily.

Blue 40-50 points
Red 29-39 points
White 28 or less
