

2024 Jr. Livestock Auction

Sealed Bid Offer to Purchase the Re-Sale Bred Replacement Heifers

We will be offering the buyer's the opportunity to "Re-Sale" any of the bred replacement heifers in the Jr. Livestock Auction. This will allow buyers who may not be interested in taking possession of the bred heifer but rather bought the animal to support the exhibitor in the auction. The re-sale option will allow a buyer to purchase a heifer and give them the option of "Live" pickup or "Re-Sale." If the buyer chooses the "Re-Sale" option, they will pay the difference between their winning bid amount and the re-sale amount.

The Re-sale amount will be determined through this sealed bid process. We are seeking sealed bids from anyone who would be interested in purchasing the "Re-Sale" heifers from the Jr. Livestock Auction. The winning bidder will be responsible for purchasing all of the Bred Replacement Heifers selected for "Re-Sale."
